Remarks

Photos coming soon! Your private outdoor oasis awaits-peaceful, spacious, and perfect for entertaining. Outdoor sink with cabinetry and large serving counter under roof. Truly a must-see! Step inside this redesigned Santa Rosa and prepare to be impressed by the stylish upgrades throughout. The open-concept great room creates a bright, welcoming space, while the kitchen shines with a large island, granite countertops, solar light, stainless steel appliances, and custom cabinetry with under-cabinet lighting. Featuring 2 bedrooms with walk-in closets and 2 bathrooms, this home offers a split floor plan for added privacy, complete with a soft-closing barn door for guests. You'll love the high ceilings (no popcorn), bamboo engineered flooring (no carpet), and the convenient interior laundry room with a hidden pantry. The extended garage adds valuable storage space. Recent updates include: Windows (2020), HVAC (2017), Roof (2023), Hot Water Heater (12/2018), plus a water purification system. (Golf carts, washer and dryer do not convey).
